Amendment No. 1

AMEND House Bill No. 862 by deleting all language after the enacting clause and substituting instead the following: SECTION 1. Tennessee Code Annotated, Title 37, Chapter 1, is amended by adding the following language as a new part:

37-1-901. This part shall be known and may be cited as the "Tennessee Zero to Three Court Initiative."

37-1-902.

(a) The general assembly recognizes that a critical need exists in this state for child and family programs to reduce the incidence of child abuse,

neglect, and endangerment, minimize the effects of childhood trauma on small children, and provide stability to parents and children within the state. It is the intent of the general assembly by this part to create an initiative to facilitate the implementation of new and the continuation of existing zero to three court programs.

(b) The goals of the zero to three court programs created under this part include the following:

(1) To reduce time to permanency of children thirty-six (36) months of age or younger by surrounding at-risk families with support services;

(2) To reduce incidences of repeat maltreatment among children thirty-six (36) months of age or younger;

(3) To reduce the long-term and short-term effects of traumatic experiences occurring when a child is thirty-six (36) months of age or younger on a child's brain development;

(4) To promote public safety through these reductions;

(5) To increase the personal, familial, and societal accountability of families; and

(6) To promote effective interaction and the use of resources among both public and private state and local child and family service agencies, state and local mental health agencies, and community agencies.

(c) As used in this part, "zero to three court program" means any zero to three court program created within the state that seeks to accomplish the goals stated in subsection (b) and that is established by a judge with jurisdiction over juvenile court matters. A zero to three court program shall have the same powers as the court that created it.

37-1-903.

(a) On January 1, 2018, there are established five (5) zero to three court programs throughout this state. These courts shall be in addition to any zero to three court programs already established in the state.

(b) The department of children's services, in consultation with the administrative office of the courts and the council of juvenile and family court judges, shall determine the location of each program. The department of children's services shall establish at least one (1) program within each of the three (3) grand divisions and shall seek to serve both rural and urban populations.

(c) The department of children's services, in consultation with the administrative office of the courts, council of juvenile and family court judges, and the department of mental health and substance abuse services, shall administer the zero to three court programs by:

(1) Defining, developing, and gathering outcome measures for zero to three court programs relating to the goals stated in § 37-1-902;

(2) Collecting, reporting, and disseminating zero to three court program data, including an annual report to be submitted by February 1, 2019, and each following February 1, to the civil justice committee of the house of representatives and the judiciary committee of the senate. The annual report shall summarize the results of the programs' operation during the previous calendar year, including data on outcomes achieved in zero to three courts compared to the outcomes achieved by other courts exercising similar jurisdiction, and any cost savings associated with the achievement of the goals stated in § 37-1-902;

(3) Sponsoring and coordinating state zero to three court training for the juvenile court judges and staff who will administer the programs; and

(4) Developing standards of operation, including procedures and protocols, for zero to three court programs prior to the creation, establishment, and commencement of the programs on January 1, 2018.

37-1-904. Nothing contained in this part shall confer a right or an expectation of a right of participation in a zero to three court program to a person within the juvenile court system.

37-1-905. Nothing in this part shall be construed to limit the ability of any jurisdiction to create and maintain a zero to three court program that strives to accomplish the goals set forth in § 37-1-902.

SECTION 2. This act shall take effect January 1, 2018, the public welfare requiring it, and shall cease to be effective January 1, 2022.

WHEREAS, the State of Tennessee is fortunate to possess mountains, rivers, lakes, and other natural wonders that benefit our quality of life and boost the economy of the State by attracting visitors to rural counties; and

WHEREAS, in East Tennessee, the Ocoee River is one such natural wonder that has become the nation's most popular whitewater river. In 1983, the United States Congress passed legislation to provide for recreational water releases from the Ocoee No. 2 power project and to enable the State of Tennessee and the Tennessee Valley Authority to enter into a contract to provide reliable releases for 116 days each year. That contract expires in March 2019, with the last recreational release for rafting to occur in October 2018; and

WHEREAS, since the Ocoee River first became available for rafting in 1978, nearly five million people have rafted the river, with over two million of those visitors arriving in the past ten years; and

WHEREAS, the Ocoee River is an economic engine and centerpiece for tourism development in the southeastern corner of Tennessee, which has led to the construction of lodging facilities, restaurants, and retail outlets. Many of these inns, restaurants, retail outlets, and shops will struggle to survive without the annual influx of visitors to the Ocoee River; and

WHEREAS, the Ocoee River Management Zone is owned by the TVA and the United States Forest Service and managed by the Tennessee Department of Environment and Conservation pursuant to agreements between the agencies; and

WHEREAS, the members of this legislative body recognize that the passage of new legislation is necessary to support management of the area by Tennessee State Parks, to encourage economic growth of the area, and to support recreational releases on the Ocoee River; now, therefore,

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

HOUSE ACTION ON SENATE AMENDMENTS

House Bill No. 473 -- Liens - As introduced, extends from two to three weeks the amount of time that a marina must advertise in a newspaper of general circulation notice of intent to enforce a lien upon any vessel or personal watercraft that lawfully comes into the marina's possession and is retained pending payment of all reasonable charges due. - Amends TCA Title 66 and Title 69. by *Gravitt, *Carter. (*SB419 by *Lundberg)

Senate Amendment No. 1

AMEND House Bill No. 473 by deleting all language after the enacting clause and substituting instead the following:

SECTION 1. Tennessee Code Annotated, Title 66, Chapter 19, Part 2, is amended by adding the following as a new section:

(a)

(1) A marina has a lien on a floating cabin for any assessment levied against the floating cabin pursuant to a written lease or service contract between the marina and the owner of the floating cabin from the time the assessment becomes due, which lien may be enforced by judicial action.

(2) Notwithstanding subdivision (a)(1), a written lease or service contract between a marina and the owner of a floating cabin may provide that the marina's lien may be enforced in like manner as a security interest under title 47, chapter 9, if the marina gives notice of its action to the owner and to all lienholders of record.

(3) Notice shall be deemed sufficient if sent by United States mail, postage prepaid:

(A) If to the owner, at the address of the floating cabin, or, if different, the last address for the owner on file with the marina; or

(B) If to a lienholder, other interested party, or the nominee of record, at the address set forth in an instrument of record; or, if different, at such other address as the lienholder or other interested party may have on file with the marina.

(4) Notice shall be deemed received three (3) days after deposit in the United States mail, postage prepaid. Fees, service charges, late charges, fines, and interest are enforceable as assessments under this section unless the written lease or service contract between the marina and the owner of the floating cabin provides otherwise. If an assessment

is payable in installments, the full amount of the assessment is a lien from the time the first installment of the assessment becomes due.

(b)

(1) A lien under this section is prior to all other liens and encumbrances on a floating cabin, except:

(A) Liens and encumbrances recorded before the date of the written lease or service contract between the marina and the owner of the floating cabin;

(B) A first or purchase money lien recorded before the date on which the assessment sought to be enforced became delinquent; and

(C) Liens for taxes and other governmental assessments or charges against the floating cabin.

(2) Upon a foreclosure action initiated by a lienholder or the marina under title 47 chapter 9, the marina is entitled to a priority in the proceeds from the foreclosure sale to satisfy the lien under subsection (a) up to the extent of the assessments that are past due during the twelve (12) months immediately preceding institution of an action to enforce the lien. However, notwithstanding this subsection (b) or any law to the contrary:

(A) Any foreclosure by the marina of its lien for assessments shall be subject to any prior lien encumbering the floating cabin and shall not extinguish such lien;

(B) Upon any foreclosure and sale by the holder of a security interest, the sale and foreclosure will be subject to the marina lien up to the payment priority amount set forth in this subdivision (b)(2); and

(C) Any right of foreclosure or priority of the marina shall not be transferable and shall be extinguished if assigned or transferred to a third party.

(c) If two (2) or more marinas have liens for assessments at any time on the same floating cabin, the priority of the liens shall be determined based on the date that each lien was created, with an earlier created lien having priority over a later created lien.

(d) A lien for any delinquent assessment under this section up to the priority in payment provided in subdivision (b)(2) is perfected without recording. Any other delinquent amount above the priority of payment provided in

subdivision (b)(2) is perfected by filing a financing statement with the secretary of state, and shall have priority over any subsequently filed liens.

(e) A lien for unpaid assessments is extinguished unless proceedings to enforce the lien are instituted within one (1) year after the date the lien for the assessment becomes effective.

(f) A judgment or decree in any action brought under this section may include costs and reasonable attorney's fees for the prevailing party.

(g) The marina, upon written request, shall furnish to an owner or to a holder of any security interest encumbering the floating cabin, or the owner's or holder's respective authorized agents, a written statement setting forth the amount of unpaid assessments against the floating cabin. The statement must be furnished within seven (7) days after receipt of the written request and is binding on the marina.

(h) As used in this section:

(1) "Floating cabin" means a watercraft or other floating structure:

(A) Primarily designed and used for human habitation or occupation; and

(B) Not primarily designed or used for navigation or transportation on water; and

(2) "Marina" means a marina, boat dock, dry dock, or dry storage facility.

SECTION 2. This act shall take effect July 1, 2017, the public welfare requiring it, and shall apply to charges accruing against floating cabins on or after that date.
